Dear President Obama, Secretary Clinton, and U.S. Attorney General Holder,

I am patiently waiting for official recognition and U.S. Secret Service protection. There should be no reason, why you have not answered any of my letters to date. Officially, by China's history and China's Han-Chinese Imperial succession, I am China's current Han-Chinese succession emperor-in-exile today. Am I not entitled to U.S. Secret Service protection and, if I am poor and my grandfather came to this country without any resources, should you (your government and nation) not provide for someone faithful and good to this nation (a foreign head of state), so that he (China's emperor-in-exile) might be able to stand and live with dignity, rather than to live like a beggar and pauper and be humiliated internationally and publicly?

I am a third generation American. I believe in American democracy and freedoms. I believe that any very distinguished international celebrity should never be abused and treated as a vagrant, allowed to live out on the streets of America,

maliciously beaten by police and hoodlums as was done to me. Why is it that the federal government (FBI, US Attorney General) and other agencies have not acted to prevent such abuse?

I am sure that you would want to be on top of things like this and not allow abuse to continue and, also, go unpunished.

I am poor, unemployed, homeless, and disabled. I have a permanent back injury from 36 years ago, without any Social Security disability payments, and two broken or damaged knees/torn meniscus and worst. I, additionally, need expensive dental treatments and expensive thin-lens glasses in the immediate. Is there anything that you, President Obama, and your government or people in your nation, wealthy benefactors, perhaps, can do for me?

I sincerely and patiently await an immediate and timely reply to this and my many other letters to you.

Sincerely yours,

H.I.M. Yao Sui
