A Chinese emperor, the Emperor of China, speaks:
MY LIFE IS AND HAS BEEN DEDICATED TO GOD!

If someone, a crazed person, puts a gun to my head (I hope that this will never happen) and says, "Hey bud, this is your last day on this earth." If I had nothing and if everything was taken away from me and this man fully intends to kill me and he says, "Tell me truthfully, what is your last request?"

I would answer this man and I would very calmly in the best Christian-like fashion say, "I am a true child of God and I do not want to die. I am China's official Han-Chinese emperor in exile and head of state of China with a very large Hebrew family in Iraq (12 million people). I am poor and I have no money. I try to help the poor and I give to all kindnesses and Christian love in my very sincere walk with Christ. It is my life's wish, mission, and duty to bring a Christian mission to China, to my people, to my family, so that they may hear the word of God in a true and unhindered fashion apart from hypocrisy and lies. I would want to preach and teach China's 1.3 billion people and do the same for 12 million family members in Iraq teaching them about God's love.

If God should grant me this request then this is exactly what I would most joyously want to do. I would do this with the greatest of passion, enthusiasm, and the utmost motivated zeal. This I most certainly would want to do!

When a man losses everything that he has and he has nothing, what would he, that man, wish for?

I would wish to have a good standing with God and to be able to do as his son says in Matthew 28:19,20. To preach and to teach about God's word to the nations. And being the patriarchal father of China, with Hebrew roots in Iraq, this is exactly what I will do!

I rejoice in the lord joyously and without hesitation. I rejoice joyously with the true spirit of the father. And my works are known to many as I render my devotions daily in my walk with the lord.

This is what I live for and this is my dedication to God!"

Possible outcomes:

- The crazed man puts down his gun and gives thanks to the lord. Saying that he is or was a Christian and that he was moved by God's spirit and by my words that he came to his senses in time and will be rededicating his life to the lord.
- The police catch this man in time, before he pulls the trigger, or federal agents act in time to save my life.
- This man pulls the trigger and kills me.

QUESTIONS for the membership of the United Church of Christ on Judd Street, First Chinese Church of Christ, and all other Christian churches:

QUESTION ONE: If China's current succession emperor and his family, grandparents, father and mother, have been members of the United Church of Christ at Judd Street as well as members of the First Chinese Church of Christ for 60 years or more, if China's current succession emperor asked for your help in bringing God's word to China or in the very bare minimum asked that you offer him your prayers. Would you give him and his Christian mission your prayers for his success in bringing God's word to China, teaching all of China's people, and successfully making converts to Christ via open bible studies in China?

QUESTION TWO: Should President Obama grant this man and his immediate family US Secret Service protection as required by law and recognition as prescribed under the Vienna Convention on Diplomatic Relations 1961 as these people are legitimate exiles from China, who fled a Manchurian Ch'ing Dynasty government and a communist takeover of mainland China? Fleeing for their very lives and safety. If they had remained back in China in the 1860s and 1870s, or even during the 1940s, they would have been killed. Sometimes, people who hide underground, whether in China or in Hawaii or mainland US, are not known to the greater community at large and are at a loss as not very many people know them and documentation can be difficult to provide, but not impossible to prove.

If the Manchurian government wants to insure that they are the sole rulers of China, of its dynasty system, and they plot to assassinate China's Han-Chinese emperor...

QUESTION THREE: Should our government provide US Secret Service protection as required by law?

QUESTION FOUR: What is a commitment of 60 plus years worth to the good name of any Christian church and would any church, synagog, or temple make its stand with and before God in favor of his grand commission and love for humankind?
