

Guess What I Found!

On a lark, I just happened to be in Kaimuki this morning (February 19, 2011) and so I went to the Kaimuki Public Library. They were having a book sale, oddly enough, and so I went to browse their collection of new books (contributed by people in the community). There were two books, which caught my eye and fancy. The first was "The Audacity of Hope", Crown Publishers, 2006, \$25, written by Barack Obama, our nation's currently elected President and the second was "Living History", Simon & Schuster, 2003, \$28, written by Hillary Rodham Clinton, our nation's Secretary of State. Well for a price of \$1.00 per book, I immediately purchased both books.
